

Web UI Design Plan

Font: Inter

Color Scheme:

UI Design Rules:

- User is in control
- Reduce Memory load from user's brain
- Consistent UI Design

Page Planning:

1. Landing Page

- a. Brief intro to the platform
 - b. Key features (AI tutor, counselling, routines, knowledge hub).
 - c. Call-to-action: "Login / Sign up".
-

2. Login Page

- a. Role-based login (Student / Teacher).
 - b. Password reset.
-

3. Student Dashboard Page (Sidebar/Top Navbar):

- a. **My Routine:**
 - i. Class Routine (auto-generated).

- ii. Exam Routine (generate & view).
- iii. Smart reminders ("Quiz tomorrow on Topic X").

b. Content Library:

- i. My Courses (registered vs. extra).
- ii. Assignments (upload, deadlines, grading status).
- iii. **Question Bank:**
 - 1. Questions
 - 2. Solutions (See PDFs, 2 free trials, then unlock more via points)
- iv. **Notes**
 - 1. Notes uploaded by students (with voting/ranking).
 - 2. My uploads (Assignment, notes, previous question solutions that I uploaded to earn free points).

c. Counselling:

- i. Book counselling session.
- ii. Select topic → select sub-topic (from course outline PDF).
- iii. View session status.
- iv. Join meeting (auto link from faculty).

d. Utilities:

- i. In-built Dictionary (online & offline).
- ii. Secure Folder (Store personal files)
- iii. Focus Session (Pomodoro timer)

e. Settings:

- i. My profile
- ii. Billing History
- iii. Multilingual toggle (English/Bangla/etc).
- iv. Notification Preference

4. Leaderboard page (When points are clicked/tapped):

- a. A table to see my position and badge
- b. Instructions for how to earn points for free and by paying

5. Teacher Dashboard Page (Sidebar/Top Navbar):

a. Class Overview

- i. Summary of enrolled classes.

- ii. Best-performing students (top 5).
- iii. Struggling students (lowest performers).

b. Assignments & Quizzes:

- i. Create an assignment/quiz.
- ii. AI-generated quizzes from lecture notes.
- iii. Auto-grading (MCQs, short answers).
- iv. Grading status dashboard.

c. Counseling:

- i. See all counseling requests by students
- ii. Launch meeting button for Google Meet

d. Settings:

- i. My profile
- ii. Multilingual toggle (English/Bangla/etc).
- iii. Notification Preference

6. Help & Support Page:

- a. FAQs.
- b. Contact Support.
- c. Report a Bug.
